Men's Restroom Guide

How to Have the Best Restroom Experience

21 November, 2025

The inspiration

Our goal with this survey is to ensure that men in urgent need of a restroom don't walk into a disaster.

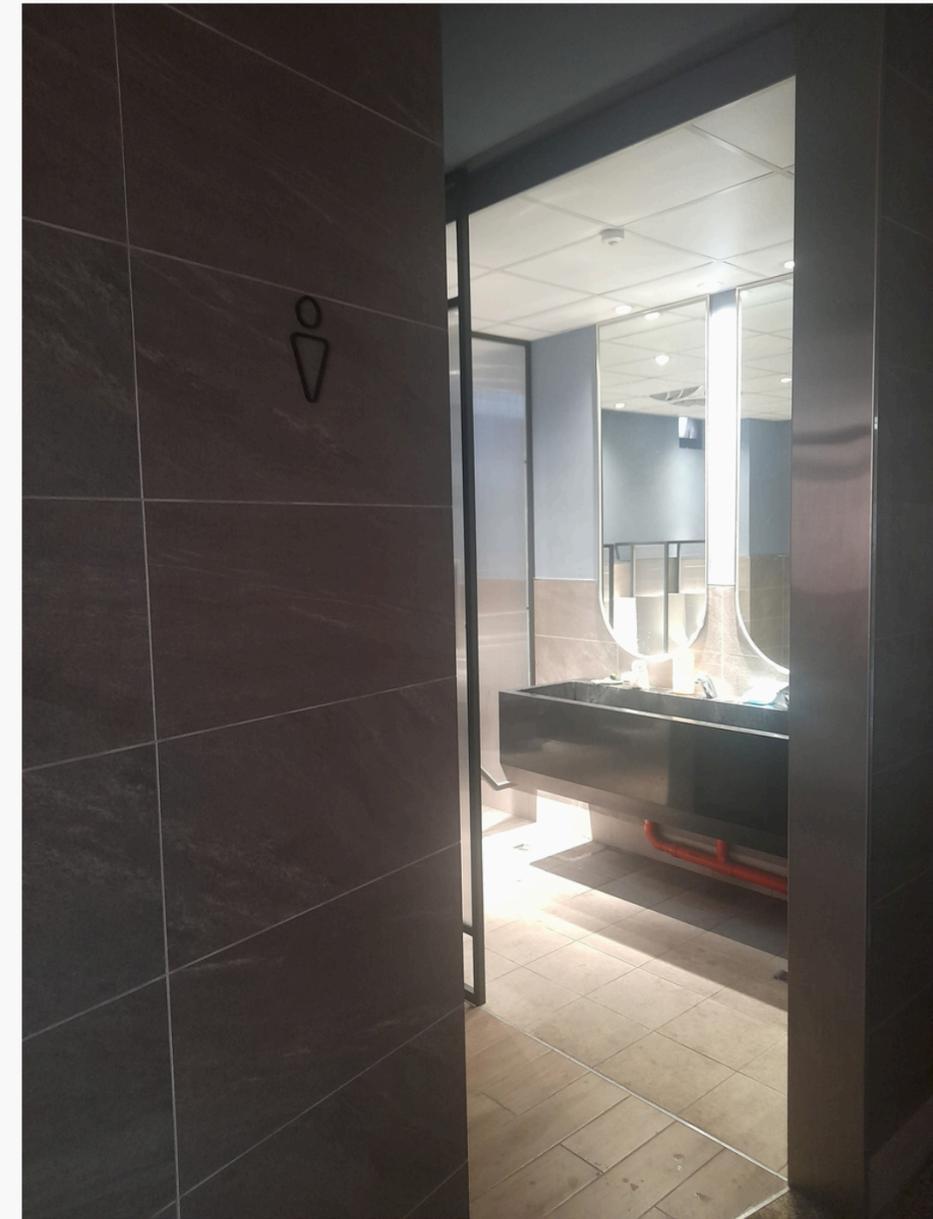

Better restrooms in University campus

There are nice restrooms hidden in the campus corners. Equipped with superior facilities, they offer us a wonderful experience when we use the restroom.

At 法學院

At 進修部

Terrible restrooms at the university campus

As a restaurant of **餐旅**, they don't have a available restroom.

At **民生學院**, there is no men's restroom! We have to use the accessible restroom.

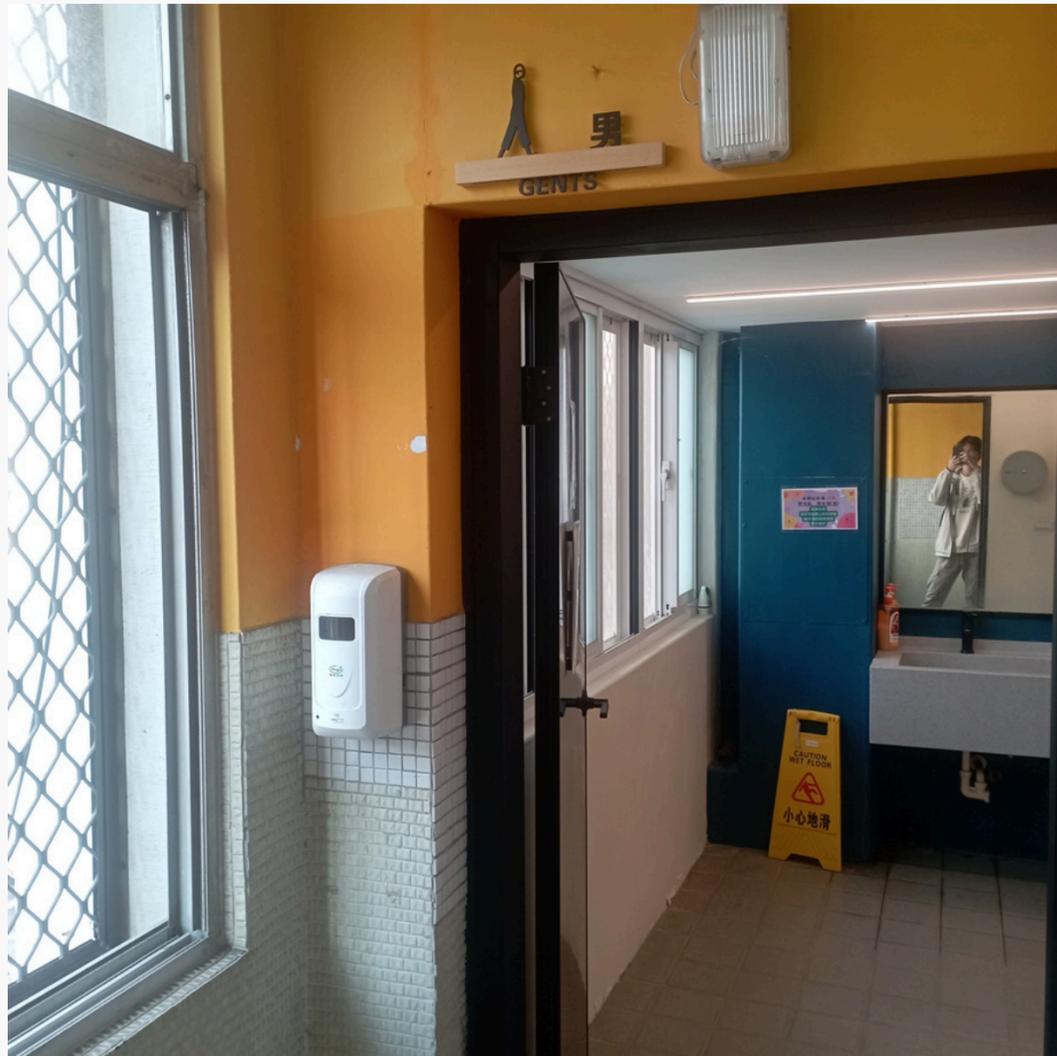

In **織品大樓**, there is a restroom that is out of order.

The restroom in **舒德樓** is functional, but the toilet paper roll is quite unique.
